But more importantly they trust St. John Providence Health System because we heal our community by caring for mind, body and spirit. And we've been doing it for over 165 years. So trust your healing needs to the health system that truly cares for its community. A PASSION *for* HEALING

**FROM SHOW CHAIRMAN DAVE MONTERA:**

Many of us remember the voice of Captain James T. Kirk (William Shatner) as he spoke what became a familiar monologue...*Space...the final frontier. These are the voyages of the starship Enterprise. Its five-year mission: to explore strange new worlds, to seek out new life and new civilizations, to boldly go where no man has gone before.*

Today, the Gentlemen Songsters enter that world of space, and take the Starship Genterprise out for a little spin around the galaxy. Who knows what we will find...but whatever the adventure, you know that it will include great songs, and great harmony. Come with us as we explore strange new harmonies, seek out new songs and new arrangements, and boldly go where no barbershop chorus has gone before!

We also know that you are going to enjoy our guest quartets today. Hi-Fidelity is a great singing group, having won the 2006 national A Cappella contest. As you can see, they will be right with the Songsters as they too do their Star Trek set for us. Sit back and enjoy the great singing, and comedy style of Hi-Fidelity.

Prestige is the reigning Barbershop Harmony Society Collegiate Quartet Champions. In their three attempts at the Colligate contest, this group from Bowling Green State University in Ohio have placed 4th (2009), 2nd (2010) and 1st in 2011. There is no doubt that these guys are GOOD!!!! A quick review of their Facebook page (<http://www.facebook.com/pages/Prestige/124362714313340>) will show that, along with singing like the Champs they are...they enjoy the new rage of planking!

Thanks for taking the time to come out and support the Gentlemen Songsters, and these fine quartets. We all hope you have a great time today, and enjoy the show!

## 2011 COLLEGIATE QUARTET CHAMPS

In a competition full of youthful excitement and talent, Prestige has won the coveted gold medal in the 2011 International Barbershop Collegiate Quartet Competition at The Sprint Center in downtown Kansas City. The quartet dazzled the audience with their renditions of “Sewanee” and “Deed I Do”.

Tenor **Gordie Howe**, lead **Drew Ochoa**, baritone **Nick Gordon**, and bass **Dave Parrett** have been competing in the collegiate contest together since 2009 when they won 4th place, and in 2010 when they won second place.

Prestige has been wowing audiences around the Midwest and beyond since their formation in May of 2008. Though the quartet's roots lie in traditional barbershop, their respective musical backgrounds come together in a style that pushes the boundaries of contemporary a cappella music. Boasting a repertoire that spans several decades of pop and jazz music, the foursome breathes life into beautiful melodies of the past. Don't miss an opportunity to experience Prestige's phenomenal live sound!!
